Proposal to establish a Govt. Hindustani school at Tanjore at a monthly cost of Rs 45, in lieu of the grant in aid school of the same value

The grant in aid school referred to above is an Anglo Hindustani school of the Lower Secondary standard It is now enjoying a grant of Rs 45 per mensem.

The school was opened by a Coffee Planter, Hajee Rasool Khan by name in 1894 and a grant of Rs 30 a month was sanctioned in aid thereof from 1st oct 1894 this grant was raised to Rs 45 from 1st oct 1898, as recommended by the I Gl

The reasons urged for the conversion of the school into a Govt institution are

that Hajee Rasool Khan (the founder) has sustained heavy losses recently and hence is unable to pay half the cost of the school

that he has found great difficulties in obtaining the services of qualified teachers for his school

The I Gl's proposal seems to be to reduce the Anglo Vernacular (Hindustani) school into a Taluk Vernacular (Hindustani) school The cost is reduced from Rs 90

-x Please see serial Nos. 164(a) of the accompanying file

to Rs 45

The Building erected by Hajee Hassoo Khan will be placed at the disposal of Govt for the purposes of holding the Govt School, as long as ~~these Govt Schools~~ at exists

II Proposal to appoint a Mahomedan Matriculate assistant on Rs 25 in the A V School at Tarikere—

In para 2 of the letter the Dgl recommends the appointment of an assistant master (qualifications Matriculate & Knowledge of Hindustani), on Rs 25 per mensem in the AV School at Tarikere, with a view to provide English Instruction for the Mahomedans of Tarikere

The Dgl merely asks for authority to include the charge in the Budget for next year.

Tarikere is a Taluk station of 1343 Mahomedan population—

Submitted the two proposals for orders

The extra cost is Rs 25 × 12 = Rs 300 per annum

Three months in the current year have already elapsed

only three months (now) but the provision 29/3/00 has only to be included in the Budget of next year for 1900-1901 (see Dgl present Communication) 29/3/00

The orders (No 12921 dt 22/10/99) of the 1st Cr were communicated to the DGE of Edn in this office Docket No 8630/Ed 323 dt 26th January last

Haja Rasool Khan, the owner of the building in which the aided Hindustani school was held has executed a Kucha -like binding himself to place the said building at the disposal of the Education Department so long as Govt maintain a Taluk Hindustani school at Tarikere

Under these circumstances the DGE requests sanction to the following proposals

1) To Establish a Govt Hindustani Taluk school at Tarikere at a cost of Rs 45 which was the amount of grant in aid paid to the Aided Anglo Hindustani school This involves no additional cost

2) To attach a matriculated Muhammodan on Rs 25 to the

the AV School at Tarikere and to ~~include~~ the provision necessary for this purpose being included in the Budget of 1900 - 1901 This will be noted for consideration in connection with the Budget of 1900-1901

On this point please see office note of 7 12 99 and the secretary's remarks d 8/12/99 with reference to the 1st Councillor's orders no 12573 d 7 12 99

Proposal No 2 involves no additional cost during the current year. The annual cost from the next and succeeding years will be Rs 300, (25 Rs x 12) ——— (2)

3) To give effect to the order sanctioning the Establishment of the Taluk Hindustani school at Tarikere the grant in aid paid to the late Aided A V Hindustani School ceased from 1st January 1900, and it appears that from that date some of the teachers as well as the peon have been working gratis ~~since 1st January 1900 and the D.I. recommends that provision~~

This involves no additional cost, as the grant in aid of Rs 45 per month is available in the Budget

SIR,

I have the honour to inform you that the town of Tarikere has a Muhammadan population of 1343 The town though a Taluk station has not been provided with a Taluk Hindustani School There was for a long time a private unaided Mosque school in the town maintained by a Muhammadan Coffee planter which taught the Koran and reading and writing The school was in a very unsatisfactory state In or about 1894 another Coffee planter Hajee Rasool Khan Saheb opened a Hindustani School

that followed the Government curriculum and applied (3) for a grant in aid. A monthly grant of Rs 30 was sanctioned from 1st October 1894 Subsequently in 1898 Hajee Rasool Khan appointed two English teachers and the cost of the school increased to Rs 90 Government were pleased to sanction a monthly grant-in-aid of Rs 45 for the school with effect from 1st October 1898 Hajee Rasool Khan now represents that he has had heavy losses recently and is no longer able to pay half the cost of the school Moreover he has found great difficulties in obtaining the services of qualified teachers for the school He now prays that Government may be pleased to establish a good Hindustani School at a cost of Rs 45 which is now paid as a grant, and he will be glad to give the use of the buildings which he has constructed for the aided Anglo-Hindustani School rent-free so long as Government maintain a Hindustani School This was also the prayer of the Muhammadans of Tarikere in the address of welcome they gave to Sir K Seshadri Iyer KCSI

in July last. As Hajee Wajeed Khan is unable to maintain the Anglo Hindustani School with the help of the Grant-in-aid, and no one else is forthcoming to give the same support to the school that he has been giving, I recommend that Government may be pleased to sanction the establishment of a Hindustani Taluk School at a total cost of Rs 45 a month

	Rs
A Headmaster - -	15
Assistant master -	10
2 Assistants on Rs 7 each -	14

Total Rs	45

2 To provide English instruction for Muhammadans I would recommend that a Muhammadan Matriculate Assistant on Rs 25 may be employed in the present Anglo-Vernacular School at Tarikere, to teach English and Translation to Muhammadan pupils. As there is no provision for the extra cost in this year's budget, I request that it may be ordered to be included in the

Budget of 1900 – 1901.
